

Aging Well

The tools you need for successful aging

Tuesday, January 13, 2015

6:00-7:00pm, light refreshments provided

Come start the New Year off right by joining Geriatric Care Manager Cindy Hasz and Estate Planning Attorney Joanna de Vos, as they teach you how to plan for successful aging! Learn:

- What a care manager is and when you need one.
- How to maintain quality of life while still getting the health care you need.
- The legal documents you should have in place NOW.
- The legal options that provide the most flexibility in your life and estate plan.
- How to stay informed and “in the know” about asset protection and important changes in the law.
